

Every Past Record for Value Giving in Wash Goods Will be Completely Smashed Tomorrow by This Offer on the Bargain Table of

IMPORTED RATINES
Values Positively as Stated
Monday a Yard **49c**

The term Ratine is a broad one, which includes Plain Color Ratines, Novelty Ratines, Silk and Cotton Matelasse, All Cotton Matelasse, Silk and Cotton Crepe Ratines.

An importer going abroad for his next season's importations found on taking stock that he had, owing to the backward season, more of these ratines than he thought he had. Feeling that he must get his money out of them before sailing, he cut prices with an unsparing hand.

The growing demand for these for mountain and seashore wear induced us to take up his offer, to practically name our own price, and tomorrow's sale should break all records, never such a value has been presented to the Washington public in Wash Goods. Widths from 40 to 50 in.

Plain colors are light blue, apricot, rose, taupe, 2 shades of mahogany, rust, Kelly green, wistaria, amethyst, lavender, deep rose, rose de printemps, and black.
